NOTES FOR THE PREPARATION OF THIS FORM

A. Origin Criterion

The criterion on the basis of which Common Market origin is claimed must be stated in the column headed "Origin Criterion" against each item in the manner indicated below:

- | | |
|---|--|
| (a) wholly produced within the Common Market; | The letters "CM" must be inserted; |
| (b) produced using materials imported from outside the Common Market or of undetermined origin in such a manner that the article falls to be classified in a tariff heading different from that in which any of those materials is classified, in accordance with the provisions of Article 14 of the Annex to the Treaty establishing the Caribbean Community; | The tariff heading number of the finished product preceded by the letter "X" must be inserted; |
| (c) produced in accordance with the conditions specified for that article in the List referred to in Article 14 of the Annex to the Treaty establishing the Caribbean Community and set out in Schedule II thereto; | The tariff heading number of the finished product preceded by the letter "L" must be inserted and where the condition to be satisfied is a percentage value-added condition the value of materials imported from outside the Common Market or of undetermined origin which have been used in the production of that article expressed as a percentage of the export price of the article must be inserted in brackets immediately following the tariff heading number. |

B. The completion of this Form implies that the producer and the exporter will furnish to the appropriate authorities such information and supporting evidence as they may as necessary require for the purpose of verifying these declarations.
